Dear Ones,

The apostle James has informed us that "we have not because we ask not." We can change that this coming week-end. See our "ad" in this bulletin for information on the "3 day Prayer and Fasting Vigil" and get involved.

Dear mothers among us, today and every Lord's Day, you are honored. Motherhood has a beginning point but never ends. You are on call "24/7" all the days of your life. God continues to bless you with strength, faith, courage and hope as you fulfill your important God given role as mothers.

Bro. Ron
